LEVEL 2

TIME 34 S

The image shows a screenshot of the game BombsHELL. The main area is a dark grey hexagonal grid with several bombs placed on it. Each bomb is a small red and black hexagon with a lit fuse. Green numbers '2' are placed next to some bombs, indicating their value. Blue dashed lines represent paths or connections between bombs. The right side of the screen features a control panel with the following elements:

- BOMBSHELL** (Title)
- PUZZLE MODE** (Selected)
- PANIC MODE** (Available)
- SQUARE GRID** (Available)
- HEX GRID** (Selected)
- EASY** (Available)
